SUBJECT: FOOD STAMP PROGRAM (FSP) POLICY INTERPRETATION
PROCEDURES AND LISTING OF STAFF ASSIGNMENTS

Attached for your information is a current list of FSP staff and their assignments by regulation/subject (Attachment A). This listing now includes staffing assignments for both the Policy Implementation Unit (PIU) and the Employment, Forms and Disaster Unit (EFAD). This will enable you to identify the appropriate staff person to assist you in resolving FSP policy issues or questions you have not been able to resolve within your own organization.

We are observing the guidelines provided in All County Information Notice (ACIN) I-83-03, which limits policy questions and state response to those questions sent by Quality Control (QC) for discussion of policy errors, automation systems consortia for discussion of programming policy issues, state Administrative Law Judges (ALJs) regarding policies resulting from hearings and those submitted from the California Welfare Directors Association (CWDA) Food Review and Advisory Team (FRAT) for policies having statewide implications. We are also reissuing the protocols for requesting policy clarification. Attached is a Request for Regulation Interpretation form (FS 24), which is to be the only form used for submission of a policy question. The QC Request for Regulation Interpretation form (FS 25) is obsolete.

For Counties Requesting Policy Interpretations

Questions from counties must be submitted directly to the FRAT Committee for a response. If a question is received by state staff directly from a county, state staff will refer the question to the FRAT Committee. FRAT will then determine if a response has statewide implication. If FRAT determines that the question does impact policy statewide, the question will be forwarded to state staff for clarification. The question and policy clarification is then included in the Quarterly Question and Answer All County Information Notice (ACIN). If the question does not have statewide implication, FRAT will attempt to answer the question and respond directly back to the county.

Questions from QC staff, automation systems consortia or ALJs may still be submitted directly to state staff. State staff will respond directly to the requestor and will determine if the question will become part of the Quarterly Question and Answer ACIN. If state staff determines that a question should be part of the Question and Answer ACIN, the question will also be shared with the FRAT Committee before finalizing for incorporation into the ACIN. Attachment B is a rotation schedule of FRAT members to whom questions from counties may be submitted through March 2008.

Question Format

To assist us in responding to your inquiries, the following guidelines must be used in completing the FS 24 (Attachment C):

- Complete the requestor's name, list the county/organization, provide the phone number of the requestor, give the subject of the request, specify the pertinent regulation cite(s) and cite references (ACLs, ACINs, FSQUADS), give the date of the request and the date a response is needed.
- State the question and include a scenario if needed for clarity. No assumptions are made in responding to policy questions.
- Provide your proposed answer and information supporting your conclusion, including pertinent regulation cites or other reference materials, such as prior Q & As and ACLs/ACINs.

For QC, automation systems consortia and ALJ questions, submit the FS 24 by e-mail directly to the analyst assigned to the policy area or regulation(s) in question. For counties, submit the FS 24 by e-mail directly to the FRAT committee member (see Attachment B). The question will then be answered directly by FRAT or forwarded to the appropriate FSP analyst for consideration/clarification as a statewide policy issue. If a county does not have e-mail access, please FAX your question to (916) 657-1806 to the attention of the appropriate analyst. If we are unable to respond within a reasonable timeframe, you will be contacted pending a reply to your inquiry.

For a camera ready copy of the FS 24, contact the Forms Management Unit at (916) 657-1907. If your office has internet access, you may obtain the FS 24 from the CDSS web page at: http://www.dss.cahwnet.gov/cdssweb/FormsandPu_271.htm.

If you have any questions regarding this letter, please contact LeAnne Torres at (916) 654-2135.

Sincerely,
